Show Cars must be PRE-REGISTERED before 9:00 A.M. on Saturday, September 18, 2010. Show vehicles are judged to stock specifications with the exception of specified classes which are judged to modified or altered standards. The entrant is responsible for determining the proper class but final determination rests with the Director of Classification and Judging. Be certain that your vehicle falls within the class years. Judging is based upon a 100 point system and judges' decisions are final. Inclement weather could force site or station judging.
